**RE: 2nd Status Update Request - C.A. No. 04-11801-DPW**

Dear Clerk Greenberg

On November 15, 2004 I wrote you requesting a status update, (copy enclosed), concerning my motion to alter or amend judgment filed on September 17, 2004. This motion pertains to my Civil Rights Petition dismissed on September 9, 2004 pursuant to the Prison Litigation Reform Act.

In response to my status update request the court mailed me an electronic printout.(copy enclosed). Naturally, this enclosure is not an official signed court order which leaves me still questioning the outcome of my pending motion.

This 2nd request is now being mailed because I decided to wait until the holidays were concluded.

I am requesting that you re-review my motion because it presented that the standards cited in the order of dismissal do not apply in this circumstance. Moreover, if the court has indeed denied my motion to alter or amend I would require an order by the court so that a proper notice of appeal could be filed.

I further request at your earliest convenience could you please mail me a copy of the docket entries.

Thank you for your time and assistance in this matter.

Respectfully.
